

Career Success
Begins Here

Savvas.com/CTE

Prepare Your Students for Career Success

Every student deserves to graduate high school confident in their desired career path. With a diverse catalog of career-launching digital courses from Savvas CTE, you can empower every student to discover their interests and develop job-ready skills.

Reimagine CTE

Student-Centered Design

Based on decades of educational research, each course is designed to maximize student learning, motivation, and achievement.

Interactive Learning

Engage students every step of the way with relevant content, interactives, videos, discussion boards, projects, and more.

Ready for the Real World

Students go beyond understanding concepts to applying them in real life—honing the skills they need for in-demand careers.

Certification Prep

Certification aligned curriculum prepares students to excel on certification exams and earn resume-boosting credentials.

Seamless Integration With Your School's LMS

CTE has never been more accessible with digital courses that integrate smoothly with your Learning Management System. Course materials are available anytime, anywhere, all in your familiar and convenient LMS.
